The new EU Blue Card from November 2023

What is changing? From now on, significantly lower salary thresholds for career starters in regular and bottleneck professions apply. On certain conditions, IT specialists without formal qualifications but with specialised knowledge gained from work experience are able to receive a Blue Card as well. Additionally, joining people in possession of an EU Blue Card via the family reunification process as well as the arrival of Blue Card holders from other EU Member States to Germany will be facilitated with the newly introduced changes.
