

## Saxony-Anhalt

---

Saxony-Anhalt is a modern business and science location situated at the heart of Germany and Europe. Universities, academies and other research facilities together with local companies create a lively and innovative climate. Saxony-Anhalt is family-friendly: It offers low living costs, high quality standards and a rich offering of culture and nature. An open-minded attitude towards all people is a guiding principle. The state, regions and companies offer numerous support services for immigrants.
